## PCPCH Program Consent

We are honored to be your child’s Patient Centered Primary Care Home (PCPCH), which means our clinic is here to help you with all of your child’s medical needs. Well checks, same day visits, and urgent help during or after hours – 365 days per year – we want you and your child to know we are here for you!

Once every year, we are required to ask you to acknowledge that we are your primary pediatric healthcare clinic. By signing below, you are simply saying you want your child to be seen at Eugene Pediatric Associates.
